Instructions for Application to Sell UnitedHealthcare Products

PLEASE READ THOROUGHLY

General Information

All external producers (E.g., agents and agencies) intending to solicit business on behalf of UnitedHealthcare (UHC) must be authorized to represent the company and its products. Authorization includes entering into a legal agreement with UHC and being appointed by the company. You must submit an agent/agency agreement, appointment forms, and license information as required by applicable federal and state laws and UHC policy to be appointed.

If you are applying for an agency appointment, state requirements mandate that each agency appointed by an insurer must have all writing agents soliciting UHC business appointed as well. At the very least, the agency's request for appointment must be accompanied by the application of one writing agent who is licensed and appointed for each state in which business is conducted.

IMPORTANT!!!

You must be appointed by the time your first commissions check is issued; otherwise, payment will be held or denied until the appointment is complete. **Please ensure that your sales office contact has the completed appointment and contract paperwork no later than the time you begin quoting business.** As appointment processing times vary due to individual state requirements, submitting the appointment forms early will ensure that commissions payments will not be delayed.

Instructions for Applying for UHC Appointment

This instruction package accompanies the package of forms required for authorization to sell UHC products. Please read and follow all instructions carefully. When complete, the entire package of forms can be forwarded back to your contact at the sales office or to the Producer Credentialing Department. Forms can be sent by mail, fax, and email (if you have scanning capabilities), to the contact information provided on the broker checklist.

You may be advised by your local sales office of additional market specific requirements to become a UHC agent, such as certification.

You will be notified by mail if your appointment has been approved/denied.

Forms/Information Required for UHC Appointment

The following forms/information must be provided to apply for a UHC appointment. Instructions for completion of each form are included:

- √ Agent/Agency Agreement (if multiple producers at an agency or the agency itself are applying for an appointment, each producer must sign their own agreement)
- √ Request for Appointment of Insurance Producer Form (only one form is required even if you are applying for appointment in multiple states)
- √ Florida Non-Resident County Appointment Form (to be completed for Florida non-resident agents who physically enter the state of Florida to conduct business)
- √ Compensation Assignment Form (to be completed only if you are assigning commissions to another individual or business entity)
- √ Direct Deposit Authorization/Maintenance Form: **Direct Deposit is mandatory for all newly appointed producers receiving commissions.** If you are assigning commissions to an agency or individual other than yourself, the Direct Deposit Authorization/Maintenance Form must be completed for that entity. They must also be appropriately licensed and appointed. **Please also include a copy of a voided check from which the funds will be deposited.**
- √ Copy of your current Life, Accident, and Health (or equivalent) license for all states in which you intend to sell UHC business. (Please be aware that agency licensing requirements vary by state. UHC requires evidence of agency licensing in all states where DOIs issue business entity licenses.)

Background Check

Some states require that a background check be performed on an individual producer seeking a company appointment. UHC is responsible for submitting the request to the background check vendor. If the background check is "clear," the appointment can be processed. Appointments requiring background checks take an average of one week longer to complete.

Renewal Licenses

Insurance regulations require that you maintain copies of your current licenses on file with UHC by timely submitting renewal copies. Your appointments by UnitedHealthcare will be terminated if we don't receive a copy of the renewed license prior to the expiration date of the license. If your appointments are terminated, you will no longer be able to sell UnitedHealthcare products. In most states, commissions will not be paid after your appointment is terminated.

Instructions for Completing the Agent/Agency Agreement

Please complete and sign the new Agent/Agency Agreement along with the appointment forms. **Please do not alter the agreement in any way other than as described in these instructions.** Altered Agent/Agency Agreements will not be accepted and, as a result, your appointment(s) will not be processed.

IMPORTANT!!! Agents and Agencies must sign separate Agreements. If you work for an agency and the agency is also seeking UHC appointment, a separate agreement must be completed and signed by the individual agent and an agency representative.

If you are signing the agreement as an Agent:

- Type or print the full name of the contracting agent in the line on the first paragraph of page 1 of the agreement that precedes the word "Agent" in parentheses.
- Print the full name of the contracting agent in the line above the words "Printed Name" in the signature section on the last page.
- Print the SSN of the contracting agent under which you are seeking appointment with UnitedHealthcare in the line above the words "SSN/TIN" in the signature section on the last page.
- Put the date when you sign the agreement in the line above the word "Date" in the signature section on the last page.
- The contracting agent whose name appears as the "Agent" on page 1 should sign on the line above the word "Signature" in the signature section of page on the last page.

If you are signing the agreement for an Agency:

- Print the full name of the contracting agency in the line on the first paragraph of page 1 that precedes the word "Agent" in parentheses.
- Print the TIN of the contracting agency under which the entity is seeking appointment with UnitedHealthcare in the line above the words "SSN/TIN" in the signature section on the last page.
- Put the date when the agency has signed the agreement in the line above the word "Date" in the signature section on the last page.
- The Agreement must be signed by: the owner of the agency if it is a sole proprietorship; a partner if the agency is a partnership; or an authorized officer if the agency is a corporation. The authorized signor should put their full name in the line above the words "Printed Name", their title in the line above the word "Title," and then sign above the word "Signature" in the signature section of page on the last page.

The agent or agency receiving the commissions is designated as the “Agent of Record” or “Payee” for the case. To assign commissions to an agency or another individual, the Compensation Assignment Form must be completed.

Agent must provide UnitedHealthcare proof of insurance upon UnitedHealthcare's request. Agent must immediately notify UnitedHealthcare in writing if Agent's insurance terminates, is cancelled, suspended, or changes in a material way, including but not limited to a change in the amount of insurance.
- (b) **Indemnification.** UnitedHealthcare and Agent will indemnify, hold harmless and defend the other from and against any and all claims, litigations, losses, liabilities, costs, and other expenses incurred as a result of a material breach of the terms of this Agreement. Agent will indemnify and hold harmless UnitedHealthcare (including its directors, officers, attorneys, and employees) from any claims, liability, judgments, damages or costs (including reasonable attorneys' fees) asserted or awarded against or incurred by UnitedHealthcare as a result of any act, error, or omission of Agent.

2.12 Provision of Materials; Training. UnitedHealthcare will furnish Agent with materials and training that, in UnitedHealthcare's sole judgment, are necessary for Agent to perform Agent's duties under this Agreement.

By signing this Agreement, Agent certifies that Agent has not been convicted of, or pled guilty or no contest, to any criminal felony involving dishonesty or breach of trust and has not been convicted of an offense under Section 1033 of the Violent Crime Control and Law Enforcement Act of 1994. Agent further agrees to notify UnitedHealthcare, in writing, immediately upon receiving notice of any misdemeanor or felony charges or any actions including, but not limited to, convictions by any governmental authority for commission of any act involving fraud, dishonesty, breach of trust, theft, misappropriation of money, or breach of any fiduciary duty.

2.14 Compliance with Company Rules. Agent will abide by all applicable UnitedHealthcare policy and procedures and written notices provided to Agent.

Section 3: Compensation

3.1 Compensation Payable to Agent. UnitedHealthcare will compensate Agent for Agent's services during the term of this Agreement in accordance with the terms and conditions set forth in any applicable commission, bonus or other compensation schedule or information (as determined solely by UnitedHealthcare) that may be made available by UnitedHealthcare from time to time. Notwithstanding anything to the contrary contained in this Agreement or any such compensation schedule or information, UnitedHealthcare will not compensate Agent under the terms of this Agreement, except with respect to all Enrolling Units (regardless of the effective date of coverage by UnitedHealthcare) for which (a) Agent is the Agent of Record, (b) Agent continues to service the Enrolling Unit (regardless of whether the writing agent is affiliated with Agent), and (c) UnitedHealthcare determines, in its sole discretion, that it may legally compensate Agent. Notwithstanding anything to the contrary in this Agreement, no compensation will be paid on any Enrolling Unit where the Agent is not receiving base commissions. In addition, UnitedHealthcare will not pay, nor shall Agent accept, any compensation on any Enrolling Unit where the Agent receives compensation directly from the Enrolling Unit or is otherwise acting as a consultant for the Enrolling Unit, unless UnitedHealthcare first receives a written consent, in a form acceptable to UnitedHealthcare, from the Enrolling Unit authorizing UnitedHealthcare to compensate the Agent on such Enrolling Unit; provided, however in no instance will UnitedHealthcare pay, nor shall Agent accept, any compensation on any Enrolling Unit that is a Governmental Entity, where the Agent receives compensation directly from the Governmental Entity or is otherwise acting as a consultant of the Government Entity.

3.2 Payment. UnitedHealthcare will compensate Agent monthly; provided, however, that UnitedHealthcare will only compensate Agent with respect to any particular Enrolling Unit within 60 days after UnitedHealthcare receives payment of that Enrolling Unit's monthly contract charges.

3.3 Commissions on Hold. UnitedHealthcare may, at its discretion, place compensation of Agent on hold, if based on Agent's information on file with UnitedHealthcare, Agent no longer complies with the terms of this Agreement. Agent agrees to forfeit any compensation placed on hold, if the cause of such hold has not been resolved within six (6) months of the hold's effective date, as indicated on a hold notification letter or commissions statement.

3.4 Modification or Termination of Compensation. UnitedHealthcare may terminate or amend any base commission payable to Agent with respect to any Enrolling Unit (regardless of the original effective date of coverage by UnitedHealthcare) at any time by notifying Agent (in a manner consistent with the terms of this Agreement) 30 or more days before the effective date of the termination or amendment.

UnitedHealthcare has the right to exclude any case from eligibility for any and all bonus programs if it determines, at its sole discretion, that including the case in the bonus program would create an actual or perceived conflict of interest for an agent and a customer. UnitedHealthcare has the right to exclude any case from eligibility for any bonus program for any reason.

UnitedHealthcare may terminate or amend any override, bonus or other recognition or reward program applicable to Agent at any time for any reason without prior notice to Agent.

Agent/Agency Agreement

3.5 Disclosure. All compensation payable to Agent under this Agreement is subject to disclosure or reporting by UnitedHealthcare to any government or regulatory agency or to any third party, including any customer or prospective customer of UnitedHealthcare. UnitedHealthcare will determine, in its sole discretion, the party or parties to which it will disclose any such compensation, the frequency with which it will make any such disclosures, and the amount and type of compensation required to be disclosed. Agent agrees to disclose any compensation that Agent receives under this Agreement as required by applicable law. In addition, Agent shall notify UnitedHealthcare, as outlined in the Notice provision of this Agreement, if Agent receives any compensation directly from an actual or prospective Enrolling Unit that is a Governmental Entity. Such notice shall include the name of such Enrolling Unit, a description of the services provided to such Enrolling Unit, and the amount of compensation received.

3.6 Adjustments.

- (a) Each party agrees to promptly notify the other upon becoming aware of an incorrect payment amount. Subject to subsections (b) and (c) below, Agent agrees to promptly remit to UnitedHealthcare any amounts overpaid pursuant to this Agreement.
- (b) UnitedHealthcare may correct an overpayment error by notifying Agent of the error and asking for repayment. At its sole option, UnitedHealthcare may instead recover overpayments from Agent by offsetting the overpayment against future compensation and notifying Agent of the offset and the reason for it.
- (c) UnitedHealthcare will not adjust any incorrect payments to Agent except for payments made within two years prior to the date of adjustment. In this regard, neither Agent nor UnitedHealthcare may assert a claim against the other relating to an incorrect payment amount under the terms of this Agreement unless such claim is made (and the resulting adjustment is commenced) within two years of the date of said incorrect payment.
- (d) If UnitedHealthcare incurs any costs in collecting reimbursement of an overpayment from Agent, including but not limited to collection agency and attorney fees but not including the costs of offsetting future payments, Agent will pay UnitedHealthcare's costs, as applicable.
- (e) Notwithstanding anything in this Agreement or any compensation schedule to the contrary, UnitedHealthcare will not pay any amount to Agent that exceeds a maximum prescribed by any applicable law.

3.7 No Compensation to Other Agents. UnitedHealthcare will not pay compensation to any other agent, broker or producer under the terms of this Agreement. Agent agrees to defend, indemnify and hold harmless UnitedHealthcare if an agent, broker or producer (other than Agent) makes a claim for compensation against UnitedHealthcare under the terms of this Agreement.

3.8 Taxes.

- (a) **Agent solely responsible for taxes.** Agent acknowledges that Agent is not UnitedHealthcare's employee and that Agent is solely responsible for reporting and paying any tax or other cost assessed on the basis of UnitedHealthcare's payment of compensation to Agent under this Agreement.
- (b) **UnitedHealthcare will not withhold for taxes.** Agent acknowledges and agrees that UnitedHealthcare will not withhold any amount of compensation for Agent's taxes, including but not limited to income tax, social security and Medicare tax, workers compensation taxes or costs; unemployment compensation taxes or costs; or any other tax, cost, fee or charge related to Agent's compensation for services under this Agreement.

Section 4: Agent of Record

4.1 Designation of Agent of Record. UnitedHealthcare will consider Agent to be Agent of Record for every Enrolling Unit sold by Agent under the terms of this Agreement unless and until an Enrolling Unit asks UnitedHealthcare to change its Agent of Record to a different agent.

4.2 Change in Agent of Record. Notwithstanding the forgoing, UnitedHealthcare may, in good faith, change an Enrolling Unit's Agent of Record at any time for any reason in accordance with applicable law and the following provisions are not intended to limit this right in any way.

- (a) **Written request from Enrolling Unit.** In its sole discretion, UnitedHealthcare will recognize a request to change an Agent of Record only if it is in writing and is from the Enrolling Unit, and not from Agent or any other person. If an Enrolling Unit asks UnitedHealthcare to change its Agent of Record, UnitedHealthcare will determine the effective date of the change in its sole discretion.
- (b) **Termination Events.** Upon occurrence of at least one of the termination events described in Sections 5.3 through 5.8 of this Agreement, UnitedHealthcare will no longer recognize Agent as any Enrolling Unit's Agent of Record.

Section 5: Term and Termination

5.1 Term. This Agreement is effective from the Effective Date until terminated in accordance with this Section 5.

5.2 Termination for any Reason. UnitedHealthcare or Agent may terminate this Agreement at any time, for any reason, by providing written notice of termination to the other party 60 or more days before the effective date of termination.

5.3 Termination for Loss of License. If, at any time during the term of this Agreement, Agent does not have, or fails to maintain, a license required to perform services or receive compensation under this Agreement (including if Agent's license is revoked by a licensing or regulatory agency but not including a temporary suspension of Agent's license), it shall be considered a material breach of this Agreement by Agent and this Agreement shall be terminated effective as of the date that Agent first lost, or failed to maintain, the license without regard to when UnitedHealthcare learns of the loss of, or failure to maintain, the license or when

Agent/Agency Agreement

UnitedHealthcare notifies Agent that this Agreement has been terminated. UnitedHealthcare may recover any compensation paid to Agent after Agent loses or fails to maintain any such license.

- 5.4 Termination Upon Cessation of Agent's Business.** This Agreement shall terminate automatically upon Agent's death, dissolution, receivership, insolvency, or bankruptcy.
- 5.5 Termination for Agent's Breach.** If Agent breaches a material term of this Agreement (including, but not limited to, Sections 2.1(d) (marketing materials), 2.2 (licenses), 2.8 (authority), 2.10 (privacy), 2.11 (insurance)), UnitedHealthcare may terminate this Agreement immediately by notifying Agent in writing of the effective date of termination. The effective date of termination pursuant to this Section 5.5 may be the date of the breach, or any later date that UnitedHealthcare specifies in the notice of termination.
- 5.6 Termination for Disciplinary Action.** If a licensing or regulatory agency subjects Agent to any disciplinary sanction (for example, a reprimand or temporary suspension of Agent's license), UnitedHealthcare may terminate the Agreement by providing written notice to Agent effective upon receipt of the notice, or any later date that UnitedHealthcare specifies in the notice. No compensation will be payable to Agent for services rendered during any period in which Agent's license is temporarily suspended. UnitedHealthcare may recover any compensation paid to Agent during any period in which Agent's license is temporarily suspended.
- 5.7 Termination for Fraud.** If Agent engages in, or knowingly assists another to commit, fraudulent or dishonest activity in connection with the solicitation, enrollment or renewal of any Enrolling Unit, this Agreement shall terminate effective as of the date on which Agent engaged in or assisted with such activity without regard to when UnitedHealthcare learns of the fraudulent or dishonest activity or when UnitedHealthcare notifies Agent that this Agreement has been terminated. UnitedHealthcare may recover any compensation paid to Agent after Agent engaged in, or knowingly assisted another to commit, the fraudulent or dishonest act without regard to when Agent actually earned such compensation.
- 5.8 Termination based on Acquisition or Merger.** UnitedHealthcare may terminate this Agreement in the event that (i) Agent merges with, or is acquired by, a competitor of UnitedHealthcare; or (ii) a competitor of UnitedHealthcare acquires substantially all of the assets of Agent.
- (a) Competitor defined.** A competitor of UnitedHealthcare for purposes of this provision includes any entity (including any such entity's affiliates) that, in the ordinary course of its business, is in direct or indirect competition with UnitedHealthcare.
- (b) Notice.** Agent must provide at least 60 days prior notice to UnitedHealthcare of the closing date of any transaction described in this Section. Upon request, and subject to any applicable confidentiality restrictions or obligations, Agent must provide UnitedHealthcare any and all information about the transaction that Company reasonably requests.
- (c) Procedure.** Upon receipt of such notice from Agent, UnitedHealthcare may terminate this Agreement, in whole or in part, immediately by providing written notice to Agent. If the Agreement is not terminated in its entirety, UnitedHealthcare must specify in its termination notice the portions hereof that shall be terminated in accordance with this Section.
- 5.9 Effect of Termination.**
- (a) No solicitation permitted.** Agent may not solicit or sell Benefit Plans to Enrolling Groups after this Agreement has been terminated.
- (b) Compensation.** If this Agreement is terminated pursuant to Section 5.2 above, UnitedHealthcare will continue to pay Agent compensation for Enrolling Units previously enrolled by Agent as long as the Enrolling Unit has an in-force Benefit Plan with UnitedHealthcare, Agent is the Enrolling Unit's Agent of Record and continues to service the Enrolling Unit, and Agent is legally eligible to receive compensation in UnitedHealthcare's sole discretion.
- (c) Material breach.** Upon termination of this Agreement pursuant to Section 5.3 (loss of license), 5.4 (Agent's death or dissolution), 5.5 (material breach), 5.6 (disciplinary action), or 5.7 (fraudulent activity), Agent will no longer be entitled to compensation under this Agreement and UnitedHealthcare shall cease paying such compensation to Agent or any other person under the terms of this Agreement.
- 5.10 Termination of Appointment or Authority to Sell.** UnitedHealthcare may terminate Agent's appointment(s) or authority to sell UnitedHealthcare products at any time for any reason without terminating this Agreement in its entirety. UnitedHealthcare may, in its sole discretion, continue to pay Agent compensation under the terms of this Agreement if Agent is legally eligible to receive compensation.
- 5.11 Survival.** The following provisions shall survive termination of this Agreement: Sections 2.7; 2.9(b); 2.10; 2.11; 3 and 4 (in their entirety); 5.3, 5.6 and 5.7 (regarding recovery of compensation paid to Agent); 5.9; 6.1; and 7 (in its entirety).

Section 6: Dispute Resolution

- 6.1 Good Faith Negotiation Required.** UnitedHealthcare and Agent agree to work together in good faith to resolve any disputes arising under this Agreement. If after at least ninety (90) days following the date one party sent written notice of the dispute to the other party the dispute is not resolved, any party may pursue resolution of the dispute by other means.

Section 7: Miscellaneous and Administrative

Agent/Agency Agreement

- 7.1 Agreement is Confidential.** Agent agrees not to disclose this Agreement, or any term of it, to any third party without the prior written consent of UnitedHealthcare, except as required by law. This section does not prohibit Agent from disclosing the compensation that Agent receives from UnitedHealthcare to actual or prospective Enrolling Units.
- 7.2 Relationship of the Parties.** Agent is an independent contractor and is not UnitedHealthcare's employee. This Agreement does not create any other relationship between the parties, including joint venture or agency.
- 7.3 Compliance with Law.** The parties agree to comply with applicable laws and regulations while performing their obligations under this Agreement, regardless of whether such laws or regulations are specifically referred to in this Agreement. Agent acknowledges that UnitedHealthcare and its affiliates may have government contracts under which UnitedHealthcare must require its contractors to comply with certain laws that would not otherwise apply to it. Agent agrees to comply with these laws.
- 7.4 Amendment.** This Agreement, including any Addendums attached hereto, may be amended only as provided in this Section 7.4.

- (B) Regulatory amendment.** If UnitedHealthcare proposes an amendment to bring it or Agent into compliance with an applicable law or regulation (including an interpretation of law by a regulatory agency or court), the amendment is effective immediately upon notice to Agent, or upon any other date specified by UnitedHealthcare in the notice.
- (b) Other amendments.** Any other amendment must be in writing, signed by both parties, and must specify the effective date of the amendment.
- 7.5 Assignment.**
