News to help you grow your business

Feb. 10, 2016

## Reports Outline Severity of the Zika Virus and Lassa Fever Outbreaks

As part of our commitment to the health and safety of our members, our medical and clinical teams are overseeing the latest developments on the Zika virus and Lassa fever. To help you and your clients be informed about the severity of these illnesses, UnitedHealthcare Global has developed the **Zika virus** and **Lassa fever** medical intelligence reports.

## Majority of HSA Bank Fees Eliminated

Optum has eliminated more than 10 bank fees to help consumers save even more for their health care needs. [Learn more](#)

## Latest Prescription Drug List Updates

Review the latest **PDL Tracker** for a recap of changes outside our Jan. 1 and July 1 pharmacy benefit updates.

## Plans & Services

- **Employer eServices® Update:** Effective Feb. 22, Social Security Numbers (SSN) will be masked on Employer eServices to further enhance website security. All fields in Employer eServices will also be masked. When adding a customer, the first five digits of the SSN will be masked while typing. When performing an inquiry, the five digits will automatically be masked and the last four will be visible.
- **Air Ambulance Service Provides Savings:** See how UnitedHealthcare's National Air Ambulance program manages medical transport expenses resulting in potential member savings. [Learn more](#)

## Pharmacy

- **BriovaRx® Specialty Pharmacy Transition Update:** See how affected members taking specialty medications will transition from OptumRx to BriovaRx®. [Learn more](#)
