New Tracking Tool Introduced for Brokers and Customers

See how you and your 100+ group customers can use our new Client Implementation Timeline Tracking tool to expedite the new business or renewal process. This tool is mobile portable, which means you can access it on the go from your Apple® or Android™ device.

Plans & Services

- **UnitedHealthcare Motion™ Replaces Trio Motion®:** On April 19 benefits coordinators received an email explaining the upcoming migration to the UnitedHealthcare Motion platform. [Learn more](#)

Broker & Client Support

- **Broker and Client Training Scheduled:** Learn more about our quoting tools and other broker resources on United eServices® or how our clients can better administer their benefit programs on Employer eServices® by attending our informational webinars. [Learn more](#)
- **Travel Protection Program Announced:** Our new SafeTrip™ program provides broker incentives when providing travel protection to international travelers. [Learn more](#)

ACA Updates:

Given the new administration and Congress' review of the Affordable Care Act (ACA), we will keep you and your clients posted of any changes to the ACA in our Broker and Customer Connection newsletters or in special email announcements as necessary.
