Preventive Care Guideline Changes Announced

The UnitedHealthcare's Preventive Care Services Coverage Determination Guideline (CDG), which helps doctors identify and correctly code preventive services they deliver to our members, will making a few updates this year. The CDG defines the services, diagnoses, and other requirements to ensure that certain services are paid with preventive benefits and covered without cost-share under most plans.

United Advantage Programs and Services

You're invited to the following upcoming programs available exclusively for United Advantage members:

- **June 1 Small Business Webinar:** Don't miss the UnitedHealthcare Small Business-focused Webinar June 1, when we'll provide critical updates on items that directly apply to the small business segment including Sales Automation Management, APYR and All Savers 2.0.
- **July 18-22 Knowledge Institute Scheduled:** Register now for our Knowledge Institute 101 program set in Minneapolis July 18-22. Knowledge Institute engages those new to the health care industry through an entry-level training program, taught from a carrier-neutral perspective. [Learn more](#)

Times for the above online webinar are 12:30 p.m. EST, 11:30 a.m. CST, 10:30 a.m. MST, 9:30 a.m. PST. To register visit UnitedAdvantage.com, click on Training & Education tab, and choose the "Webinar Series" link.

Pharmacy

- **Drug Patent Expirations Complicate Marketplace:** The pace of patent expirations has picked up again in 2016. This is good news for payers, but patent snags may prevent quick relief from pricy biologic drugs. Read about the seven major drugs going off-patent in 2016 and the potential complications that could follow. [Learn more](#)

Studies & Reports

Reimbursement Program: See how the Fitness Reimbursement Program fared in a recent survey of 4,000 participants. [Learn more](#)
